UPDATE #10 COVID-19

Indian Creek Village Residents:

The Village Emergency Operations Team is working hard to ensure the health and well-being of the community.

The April sunny weather is ideal for walking, jogging and/or cycling. When you are enjoying the outdoors, keep at least a 6 feet distance from others in all public areas, avoid public (and private) gatherings with people outside your household, all while remaining courteous and friendly to your neighbors from a safe distance.

Provided below are updates to assist residents in navigating through this pandemic.

[Information from the Florida Department of Health \(DOH\) and Center for Disease Control \(CDC\)](#)

If you think you have been exposed to COVID-19 and develop a fever and symptoms, such as cough or difficulty breathing, the Florida Department of Health (DOH) recommends the following in order to be tested:

- Call the DOH Epidemiology Department at (305) 470-5660 for guidance, or
- Contact your primary care physician, explain your symptoms and whether or not you have been in contact with someone who has tested positive for COVID-19 over the past 14 days, or
- Contact an urgent care facility or hospital emergency room, explain your symptoms and whether or not you have been in contact with someone who has tested positive for COVID-19 over the past 14 days.

If you are sick or have been diagnosed positive, or are caring for someone who is sick, please follow these steps to help prevent the spread of Covid-19.

- [Stay home.](#) Do not leave your home, except to get medical care. Do not visit public areas.
- [Stay in touch with your doctor.](#) Call before you get medical care. Be sure to get care if you have trouble breathing, or have any other [emergency warning signs](#), or if you think it is an [emergency](#).
- [Avoid public transportation.](#) Avoid using public transportation, ride-sharing, or taxis.

- [Stay away from others.](#) As much as possible, you stay away from others. You should stay in a specific “sick room” if possible, and away from other people in your home. Use a separate bathroom, if available.
- [Wear a facemask if you are sick.](#) You should wear a facemask, if available, when you are around other people (including before you enter a healthcare provider’s office).
- [Follow health care instructions.](#) Follow instructions from your healthcare provider and local health department. Your local health authorities may give instructions on checking your symptoms and reporting information.

More information on what to do if you think you have been exposed, if you are sick, or if you have tested positive for COVID-19 can be located on the CDC’s website, click [HERE](#). You may also reach the Florida Department of Health COVID-19 hotline at (305) 324-2400 or 1-866-779-6121.

[United States Census 2020](#)

Most households should have received their invitation to respond to the 2020 Census between March 12 – 20. These official Census Bureau mailings will include detailed information and a Census ID for completing the Census online. In addition to an invitation to respond, some households will receive a paper questionnaire. You do not need to wait for your paper questionnaire to respond to the Census. We encourage you to please complete your census form online, by phone, or by mail when your invitation to respond arrives. To learn more about Census 2020 please visit www.2020census.gov.

[Update from the Internal Revenue Service \(IRS\)](#)

The IRS has issued an update regarding checks from the Coronavirus Stimulus Package. Most people won't need to do anything to have their check directly deposited into their bank accounts. To find out more, and to see if you meet the criteria to receive a check, please visit the IRS website at <https://bit.ly/2WW4FlI>.
