UPDATE #13 COVID-19

Indian Creek Village Residents:

The Village hopes you enjoy your holiday celebrations. Although we are home, the Village also celebrates the residents for continuing to do their part throughout this pandemic.

The Village Emergency Operations Team continue working hard to ensure the health and well-being of our community.

As the number of positive COVID-19 cases continue to increase, we must continue to take all protective measures to keep our families safe and healthy.

Miami-Dade County Mayor Gimenez issued Emergency Order 20-20 requiring individuals to wear facial coverings where social distancing measures are not possible. For example, persons working in or visiting grocery stores, restaurants, pharmacies, construction sites, or public transit vehicles. For all the Miami-Dade County Emergency Orders, click [HERE](#).

Below are reminders for you and others, to help stop the spread of COVID-19:

- Properly wash your hands with soap for 20 seconds or longer;
- If you are shopping for groceries or at the pharmacy, wear a facemask and avoid touching your face;
- Keep at least a 6 feet distance from others, in all public areas; and
- Avoid all public (and private) gatherings with people outside your household.

For additional testing site locations, please visit [Miami-Dade County's COVID-19](#) page, under "Testing" <https://bit.ly/2XcQBKD>.

Miami-Dade County COVID-19 Positive Results:

MDC Positive COVID-19 Cases: 6,300
MDC COVID-19 related deaths: 119

The Miami-Dade County Mayor is conducting a COVID-19 Surveillance Project. The surveillance project will attempt to identify, "clusters" or "hot spots", by testing individuals and first responders throughout different areas within the County. This will hopefully allow for the County to plan ahead and designate the necessary resources to these highly affected areas.

Information from the Florida Department of Health (DOH) and Center for Disease Control (CDC)

If you think you have been exposed to COVID-19 and develop a fever and symptoms, such as cough or difficulty breathing, the Florida Department of Health (DOH) recommends the following in order to be tested:

- Call the DOH Epidemiology Department at (305) 470-5660 for guidance, or
- Contact your primary care physician, explain your symptoms and whether or not you have been in contact with someone who has tested positive for COVID-19 over the past 14 days, or
- Contact an urgent care facility or hospital emergency room, explain your symptoms and whether or not you have been in contact with someone who has tested positive for COVID-19 over the past 14 days.

If you are sick or have been diagnosed positive, or are caring for someone who is sick, please follow these steps to help prevent the spread of Covid-19.

- [Stay home](#). Do not leave your home, except to get medical care. Do not visit public areas.

- [Stay in touch with your doctor.](#) Call before you get medical care. Be sure to get care if you have trouble breathing, or have any other [emergency warning signs](#), or if you think it is an [emergency](#).
- [Avoid public transportation.](#) Avoid using public transportation, ride-sharing, or taxis.
- [Stay away from others.](#) As much as possible, stay away from others. You should stay in a specific “sick room” if possible, and away from other people in your home. Use a separate bathroom, if available.
- [Wear a facemask if you are sick.](#) You should wear a facemask, if available, when you are around other people (including before you enter a healthcare provider’s office).
- [Follow health care instructions.](#) Follow instructions from your healthcare provider and local health department. Your local health authorities may give instructions on checking your symptoms and reporting information.

More information on what to do if you think you have been exposed, if you are sick, or if you have tested positive for COVID-19 can be located on the CDC’s website, click [HERE](#). You may also reach the Florida Department of Health COVID-19 hotline at (305) 324-2400 or 1-866-779-6121.
