UPDATE #15 COVID-19

Indian Creek Village Residents:

The Village Emergency Team continues to monitor the situation relative to COVID-19 (Coronavirus) to ensure the health and well-being of this community. The most recent updates are provided below:

State/County Phase 1 Reopening

- Governor Ron DeSantis has approved the Miami-Dade County Mayor's "New Normal Guide" and non-essential businesses will be allowed to reopen on Monday, May 18th, with strict capacity and safety rules.

Miami-Dade County Mayor Gimenez released a draft of the "New Normal Guide" providing new guidelines and detailed procedures for Retail Small Businesses, Personal Grooming businesses, Arts and Culture, Manufacturing, Office Buildings and Shopping Centers, Warehousing/Trade and Logistics, and Restaurants. Phase I of reopening and moving to a "New Normal" As more updates become available, we will continue to inform our residents. For more details on the "New Normal Guide", please click [here](#).

Testing Information

- Due to the impending weather this weekend, the following Community-Based Testing Sites will be **closed**:
 - Hard Rock Stadium
 - Amelia Earhart Park
 - Marlins Park
 - Miami Beach Convention Center
 - Holy Family Catholic Church

Testing will resume on Monday, May 18th.

- The Village continues to explore the possibility of hosting another drive-thru testing opportunity. Unfortunately, due to the limited number of testing participants, scheduling a testing provider is a challenge.
